## My Key Club Story

Hi everyone! A little fun fact about me is that this is my sixth year in the K-family. My Kiwanis journey started in 3rd grade when I joined K-Kids at my elementary school. I continued to volunteer throughout my community, despite not having a Builder's Club. Once I finally reached high school, I had absolutely no intention of joining Key Club, but one of my classmates begged me to attend the first meeting with them, and somehow every Tuesday after that, I was sitting in room twelve working on our next fundraiser or upcoming event. Approaching my sophomore year, I took a leap of faith and ran for club treasurer, though unopposed. In March of sophomore year, a Kiwanian asked me if I had ever considered running for the district board. I thought she was a bit crazy, but as we got closer to DCON, I eventually decided to run for Area 6 LTG. At convention, I was introduced to a whole new world of Key Club and quickly became obsessed. While I did lose the Area 6 election, I was later appointed to the Area 1 position and got to experience being on the district board. My junior year was spent running club meetings as the new club president and connecting with many inactive schools throughout Area 1. Coming into senior year, I am beyond

excited to serve again as club president, district secretary, and UNICEF Champion. I get to help my absolute favorite organization at the local, district, and international levels. If you can learn anything from my journey, never give up. Everything happens for a reason, and it will work out in the end.

#### Governor's Goals

**Membership Growth and Engagement:** I strive to attract new members and retain existing members through targeted recruitment efforts, engaging outreach programs, and creating a welcoming environment.

**Club Recognition:** It is essential to recognize and celebrate the outstanding achievements and contributions of our Key Club members, clubs, and advisors. I will establish a recognition program that acknowledges service, leadership, and innovation excellence. By shining a spotlight on those who embody the spirit of Key Club, we will inspire others and reinforce the value of their efforts.

**Leadership Development:** I will prioritize providing Key Club officers and members comprehensive leadership training and development opportunities. Through Fall Rallies and District Convention workshops, we will equip our members with the skills, knowledge, and confidence needed to lead effectively within Key Club and in their future endeavors.

**Increased Attendance at District/International Events**: I strive to have one-hundred attendees at our DCON this year. Additionally, having our Fall Rallies Area-specific this year, transportation issues will be covered, as the event will be closer to each area, increasing the number of attendees and members who can learn more about the district board.

#### Governor's Project

Every year, the District Governor selects a project for members to implement in their communities. This year, my Governor's Project is Unlocking Hope: Nebraska-Iowa Key Club for Mental Health. Erika's Lighthouse is dedicated to raising awareness, reducing stigma, educating students, promoting good mental health, and encouraging help-seeking. The Nebraska-Iowa Governors Project aims to raise 2,500, enabling the organization to onboard a new school and gift them with an evidence-informed curriculum and programs. A special award will recognize the club that raises the most money. As for fundraising ideas, consider organizing a "Run your Race" event, hosting a community walk, or throwing a party. Your participation can make a real difference in the lives of many. Let's get started and unlock hope!

If you have any questions regarding the Governor's Project, please contact <u>nebriowagovernor@gmail.com</u>

# FALL RALLY 222

Get excited for Fall Rally, the district kick-off event of the service year! Fall Rally is a fun event to meet Key Clubbers from across the district, make new friends, and learn more about Key Club! This year, instead of hosting one Fall Rally for the entire NE-IA district, we will be hosting multiple **Fall Rallies by area**. This way, Fall Rallies will be closer to club members, allowing members who previously could not attend due to transportation to attend.

At the convention, we engaged in fun-filled workshops, traded pins with members from worldwide, voted on amendments to the bylaws, as well as elected a new international board! Additionally, check out how our district was recognized internationally!
